

Google Cloud - Partner Classroom Training Calendar

Updated on 07-03-2018

Please find below the Google Cloud Partner Training Calendar. This calendar shows the classes that our Global System Integrator partners may attend at no cost. This calendar includes **Technical**, **Sales** and **Services** classes.

Restrictions:

- There is no cost for registration, however the partner is responsible for any other incidental costs such as airfares, hotels and food (general T&E)
- Limit of 5 attendees per partner per class
- Registration confirmation will be sent as first come first in basis
- If the registration link is not active, the class is full or closed. Registration typically closes 4-5 days prior to the class start date.
- Classes are mostly in-person and virtual attendance is not allowed
